Anyone can fall or become ill during the night. If someone lives alone, a fall or illness during the night can be disastrous. Who will know? When will help come?

Introducing *Always in Touch* - an absolutely *free* telephone reassurance service sponsored by Always Best Care Senior Services, a nationwide leader in non-medical in-home care and assisted living placement services. We provide a friendly voice each weekday for seniors and disabled adults. *Always in Touch* provides daily socialization and the reassurance that the senior "is not alone." It's a daily "safety check" phone call that can mean greater peace of mind for seniors and their families.

It's our way of "giving back" to the communities we serve. If you or a loved one would like to receive a free phone call every day, Monday thru Friday, contact us today!
