

Always in Touch

Introducing Always in Touch

Anyone can fall or become ill during the night. If someone lives alone, a fall or illness can be disastrous. Who will know? When will help come?

Introducing *Always in Touch* - an absolutely free telephone reassurance service sponsored by Always Best Care Senior Services.

We provide a daily "safety check" phone call and peace of mind to seniors who live alone.

If you or a loved one would like to receive a free phone call every day, Monday thru Friday, contact us today!
